To all friends and colleagues of the late Daniel James BISHOP

It is six weeks since our beloved Dan passed away, this feels no time at all to us and sadly the pain is still as intense as ever. However, we are gradually getting around to writing a few letters and we felt that one of the most important ones was the one to all of you.

We would like to say thank you again for all the love and support that you gave to Dan and to us during Dan's illness and since he passed away. Thank you again to all of the people who attended his funeral, we are sorry if we didn't manage to speak to everyone. Special thanks to Sandy for the Eulogy which was very warm and kind and moved everyone. Thank you all for the wonderful book of memories. It is something we will treasure always, even though at the moment it reduces us to tears when we look at it.

Finally, a big thank you for all of the money you donated in Dan's memory. Please pass on our thanks to all of the people from other companies who also kindly donated, as we do not have their individual addresses. We have just heard from the funeral director that a total of **£1532.50** was donated for **Beating Bowel Cancer** and **£697.50** for **St Peter & St James Hospice**.

We are amazed and extremely pleased with the amounts and we know Dan will be also.

We wish you all the very best for the future, work-wise and health-wise.

Good Luck and Best wishes,

A handwritten signature in black ink that reads "David & Margaret". The signature is written in a cursive, flowing style. The word "David" is on the left and "Margaret" is on the right, with a small ampersand between them. There is a long horizontal flourish underneath the word "David".
